When I was in elementary school,
there was a TV drama that I was hooked on.

There was a girl so enchanting that anyone could be mesmerized by her.

I realized—that's right—I can just become like this girl.

then I definitely won't be hated by anyone else.

PLUCK

Chitose-
chan~

I became
that girl in
every aspect.

After that,
from appearance
to behavior

What the—
what are you
calling out to
her for—

See ya
later~

Now,
just by
blinking
my eyes

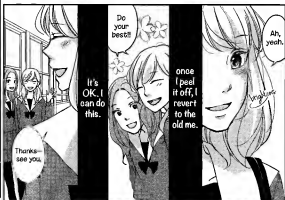

Good-
bye.

my perfect

complete.

Sorry, Chitose! But could you go to buy some pistachio-ice?

My home is a shop that sells international cuisines.

Eh, but I just want grocery shopping.

Got it—

I need to use it for this evening's dessert.

and my daily life isn't spent on a part-time job—instead I do chores at the shop.

If everyone knew about this weird shop...

I'm no longer an unrefined person.

I'm home—

FOR
REAL?!

Hey, what
happened to
the phone
case I put
here?

Ah,
I sold it
just a bit
earlier.

You don't
make them
for yourself?

Every
time you
come up
with new
stuff
they
always
sell out!

Next—

Yeah,
just a
moment
ago.

Ahhh! That's
true! They
seem a bit
off from
your image,
right—

That's
right.

These
are made
with the
image of
the store,
so...

I would
prefer a
bit cuter
ones.

Woah—
such a
pretty
person.

Huh?

SKIRT?

you from

skirt.

Prep school?

What place, you say? It's an art prep school.

It's a school for those who want to study arts in college.

Eh, who's this?

I never knew this kind of place existed.

... What is this place?

WHO... WHO IS THIS ADORABLE GUY?

A DOLL?!

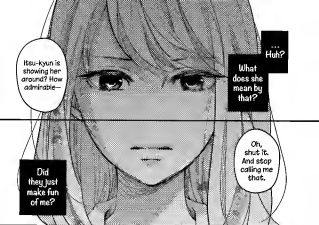

Itsu-kyun's friend?

(千景、ひめ)

Iku-kyun is showing her around? How admirable—

... Huh?

What does she mean by that?

Oh, shut it. And stop calling me that.

Did they just make fun of me?

Yeah, if it's alright?

That's what I thought, but

...You want to see the other places too?

You could just ask in a tone that doesn't sound so annoyed, you know?

That's right—I'm just jealous of them.

I know now why this feels so irritating.

and here
I am with
nothing.

Everyone here has already decided which path to take.

I
DON'T
WANT
IT.

So then
the stuff
that are
sold there
are made
by you?!

Yeah, that
store is
run by my
family...

REALLY?!

Eh!! I
bought
this from
a place
very close
to the
station?!

What
happened
to the bored
face from
earlier...?

Ahh
that's a
powder-like
substance
that I glued
to stick it
on...

If I used
a sheet
it would
look like
a rug...

**I REALLY
LIKE THAT
PLACE!!**

This
here, is
it made
up of a
sheet of
grass?

**FOR
REAL!!**

That's
right.

Ohh...

If I carry the things I make myself, it'll make me stand out and look frivolous....

Everyone else carries stuff that's in vogue and more cute.

I don't have them on me right now....

Yeah, well, you're not carrying them now.

I like the ones you haven't put up in the store.

I want to see more—

No... I honestly don't carry anything that I make myself.

I won't tell you to give them to me.

Don't be shy now—

you're back to boring again.

Uwah,

The things
you like
and the things
others
like are
different,
right?

If I don't
properly
wear neat
clothes,

"HER
CLOTHES
ARE SO
DIRTY."

"SHE'S
CONTAMINATED
WITH GERMS."

make
myself
pretty
and
always
have
a smile
on my
face...

WHAT'S
WRONG

WITH NOT
WANTING
TO BE
HATED?

I will be
hated

and
condemned.

What's with the bad mood?

... If you're going to complain then you should buy it yourself.

Honestly, I told you that I need it for dessert.

Where did you go—

33

If you don't like it then you can just refuse.

It's because you ask me to do everything for you.

Ahh, so irritating.

... Really?

... No.

Mum would never hate me over such a thing.

You're not going to like me any more...

If I refuse...

I'll go cool
my head
down for
a bit.

...
Sorry!

Brilliance

"DO YOU REALLY MEAN THAT?"

I've always
done it well
this way.

so
why am
I getting
offended
now?

I've
always
stayed
pure,
saying
the words
people
want to
hear

with
smiles
and
charms

And also

Good
evening.

Because
no one will
accept the
real "me",
will they.

will I be able to like myself too?

You're
really
trouble-
some.

It's me
who...

What do I do?
Even though
I asked you
to like me...

Are
you unable
to do any-
thing unless
someone

assures
you that
it's fine?

that you do
superficial
things like
acting like
a good girl.

It's
because
you think
that way

I want to
become
someone
special

It's me

who will
like you.

to
this open-
minded and
intriguing
person.

that you
create.

Though
I like the
things

The mask
doesn't work
on this
person.

It's no
good.

I want to
change.

I have to
face him
with who
I really
am...

I don't
want to
be afraid
of being
hated by
"somebody"

anymore.

BUMP

Do as
you like.
